The SMART Study

[SCHOOL NAME] IS TAKING PART

We're finding out what's best for children and phones

Around 80 primary schools in England are part of the SMART Study, from September 2027 to September 2028. Thank you for being one of them.

– [Headteacher name], Headteacher

Families taking part follow one of two plans, depending on whether their child has a smartphone:

Waiting for a first smartphone

If your child doesn't have a smartphone yet, hold off until **September 2028**. Your guide has ideas for making it easier.

Setting up the phone together

If your child already has one, use our step-by-step guide to keep it to **a short list of apps and websites**.

Three steps this week

1. Find your **welcome pack** and family sign-in.
2. Sit down with your child for **10 minutes** and talk it through.
3. Go to **[web address]** and follow your guide.
