

Together, we're waiting a little longer for smartphones

Around 80 primary schools in England are part of the SMART Study, from April 2027 to April 2028. Thank you for being one of them.

What we're asking families taking part:

Waiting for a first smartphone

If your child doesn't have a smartphone yet, hold off until **April 2028**. Your guide has ideas for making it easier.

No plan in your pack? You don't need to do anything.

Three steps this week

- 1** Find your **welcome pack** and family sign-in.
- 2** Sit down with your child for **10 minutes** and talk it through.
- 3** Go to **[web address]** and follow your guide.
